Upcoming event: "Influential partner in the region - Turkey's perception in the Middle East", 28 May 2013

The Middle East is going through a period of immense change; the unexpected developments have radically reshaped the region and the future remains uncertain for almost all countries. Turkey plays an important role in the region and has become an actor in the transformation process since the very early stages.

Youth unemployment in Europe: Are we really losing a generation?

Raising youth unemployment rates have set off alarms across a number of EU member states. The average unemployment rate of youth in the EU has reached 23% and in some member states close to 60% of all young people looking for a job can't find one. Newspapers across the continent are speaking of the lost generation.

An eye for an eye - the evolution of Human Rights regimes

Europeans tend to forget what the representatives of the Southern African Legal Assistant Network were relieved to learn: that the death penalty was once admissible under the European Convention on Human Rights and that it took decades and public education to change European norms and values and for it to be legally abolished throughout Europe.
